Remarks

So many updates and move-in ready! This classic, renovated and expanded New England Cape is full of surprises! Fabulous family room and master suite expansion delivers all the spaces you demand. The massive mudroom organized coats, boots, sports equipment. The long list of updates include the remodeled kitchen with granite center island looking out to the family room with a gas fireplace and built-ins. Four upstairs bedrooms include cathedral ceiling master suite with new Carrara marble bath. Lower level office for working from home and a playroom. Welcome the outside in with the three seasons, spacious, sunroom. And in summer it's time to party on the entertainment sized bluestone patio. 2 car garage and central air complete the picture. The character and architectural details of this charming Cape
